CASE NO. 19-30088 (Lead case)
CLAIMANT NO. ???

SIRS!

I left my California home on 9 July 2021 and am temporarily residing in Schenectady New York until approximately 15 October 2021. All of my files regarding this PGE claim case are locked in my safety deposit box at Tru Center Bank in Shasta Lake, CA.

As I understand it I am being told that you need proof of my claim information. In accordance with prior instructions that I received, I submitted this information electronically. After receiving another document saying that I needed to submit this information, I went on line and it said that "I had already

submitted this information." In order to make double sure I filled out the physical paperwork along with copies of supporting documents and mailed it to the New York address, with tracking requested from USPS. The document package arrived at the NYC postal distribution center but was not delivered to the final destination — nor was it ever returned to me. I wonder how many people/claimants have had the same problem? After this I left on my trip back east.

To say that I am a frustrated claimant would be an understatement!!

I am now helpless to remedy the situation and I ask the Court for some form of relief in the form of an allowed delay to submit again the necessary verification data to the end of October 2021 when I will be home and have access to my information.

Sincerely,

 MICHAEL D.D. MADDEN [530-276 5053
